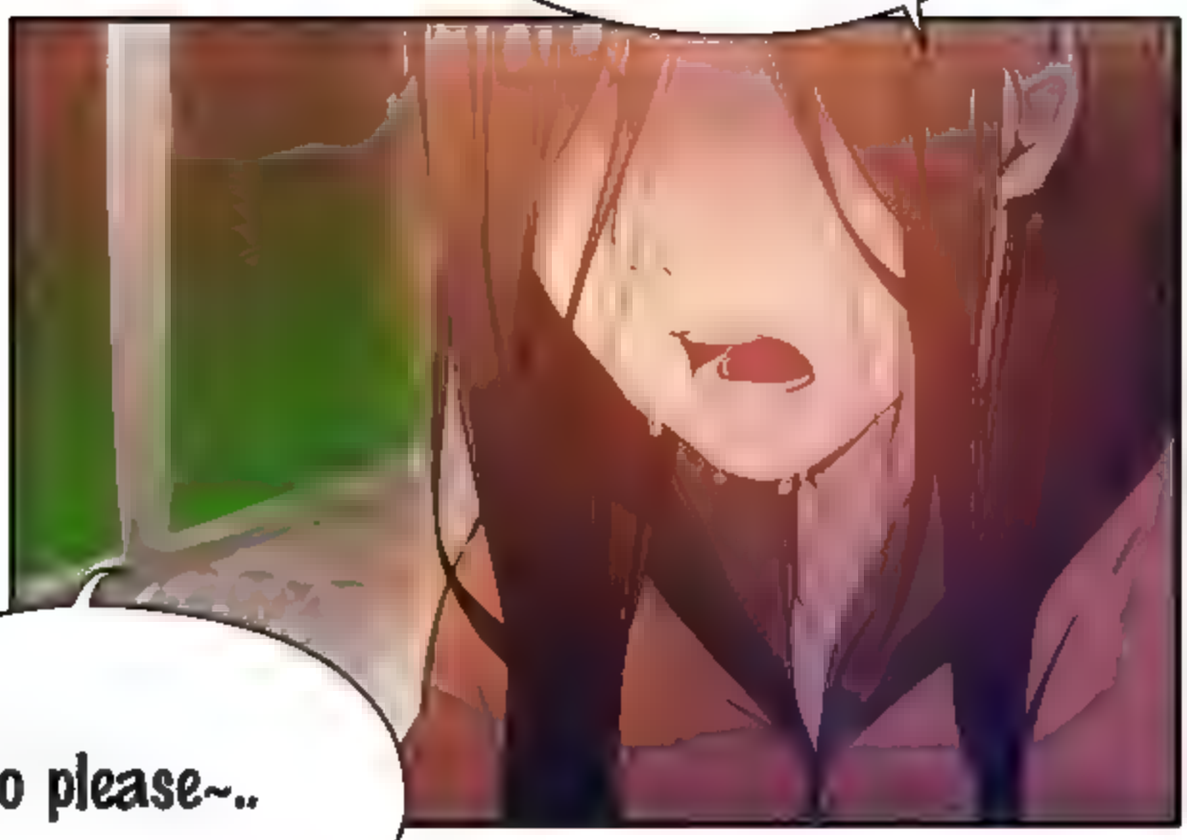
DAD! Please!
I am so tired!



So please~..

What happened to her all of a sudden?
She was happy just a minute ago.
Man, her mood swing is worse than Ayane's.

Finally.

The first step to my vengeance.

Sumire will be hated by the one she dears most.

I must be satisfied.

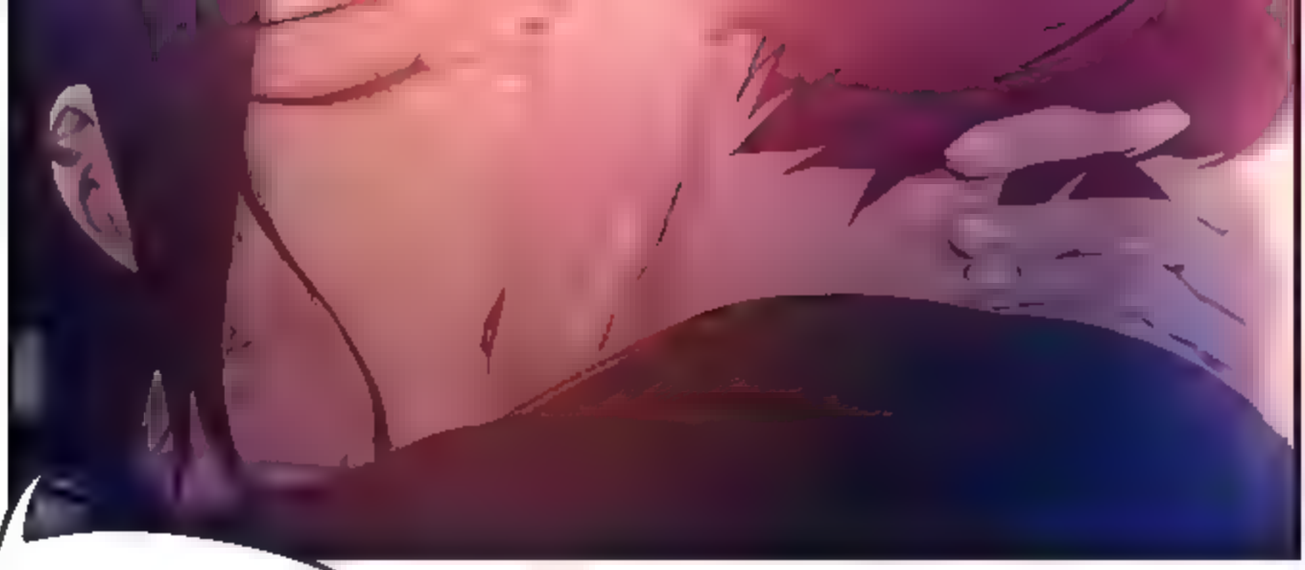
Content of this achievement.

But why..?

I feel nothing at all.

Why am I hesitating now?

Mmh.



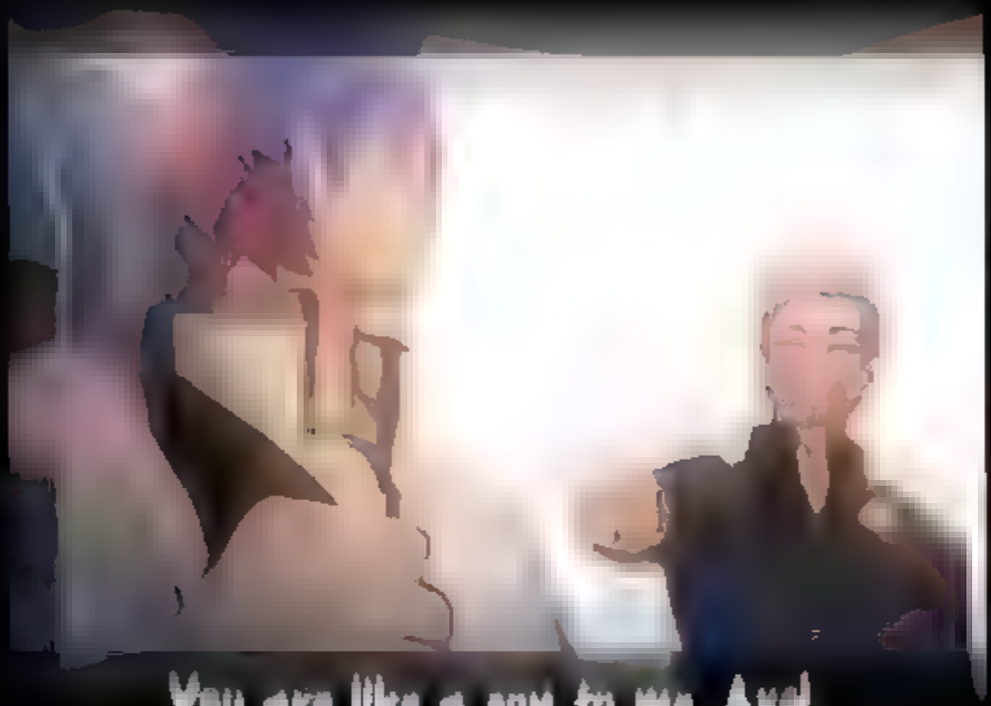
Don't stop.

Maybe if I go further...

..I will know the answer.

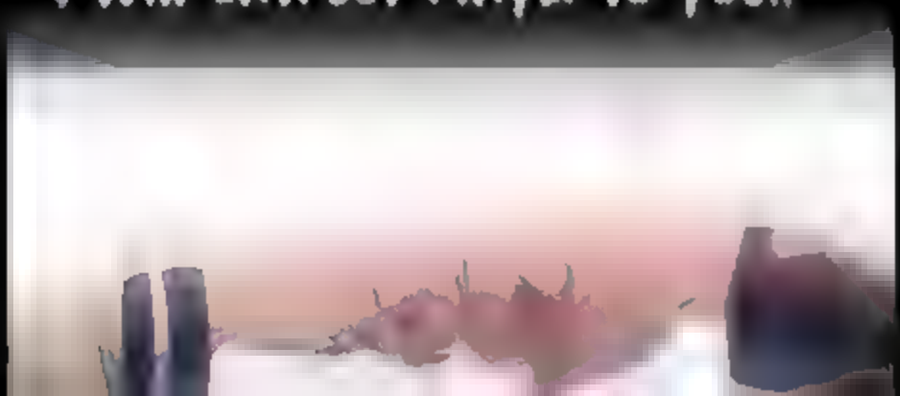
I might as well have fun while playing her game.

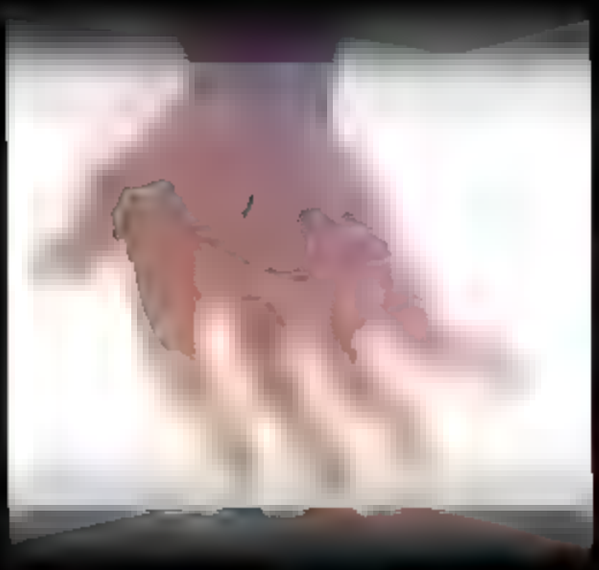
"But after this night.."

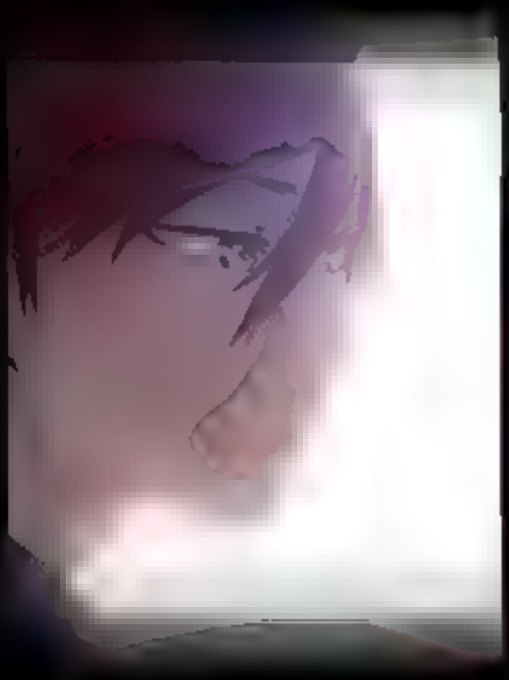


You are like a son to me, Axel.

I will entrust Anya to you.







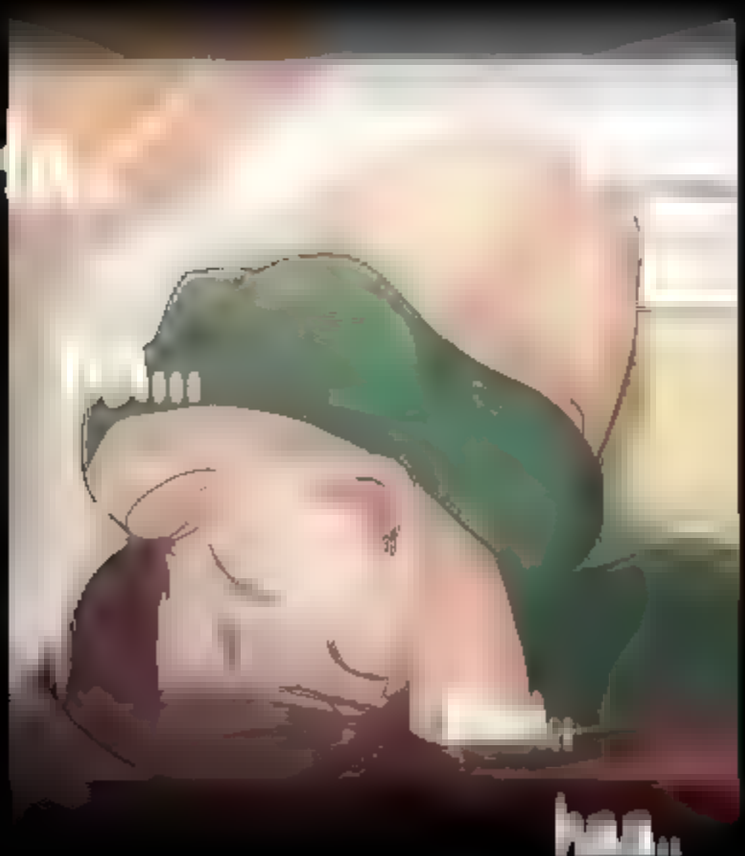
Come with me

Anya...

I don't want
to become a burden to others

I will hunt you

I will never give up

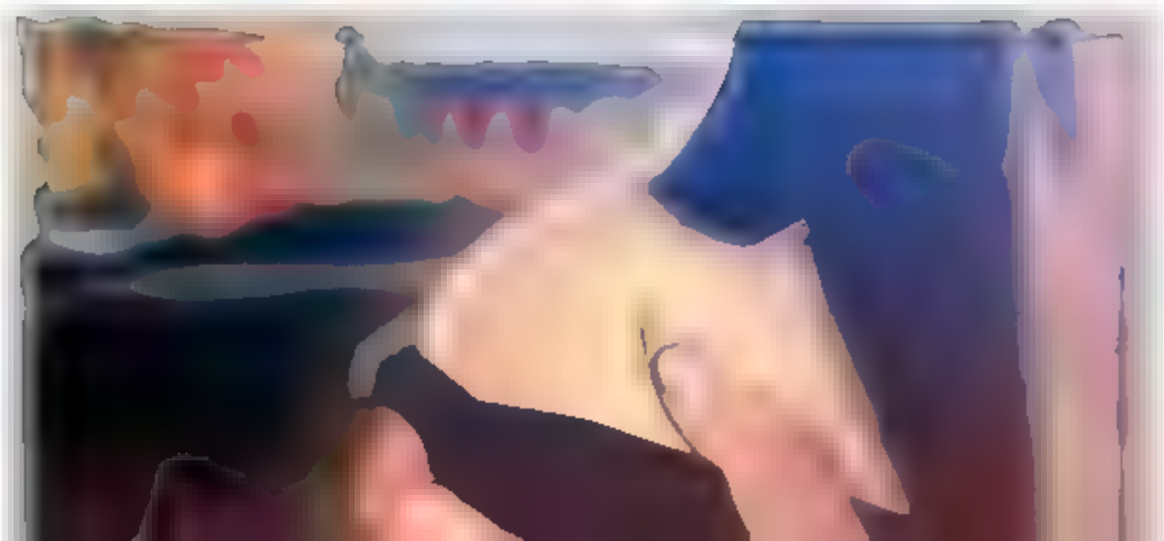


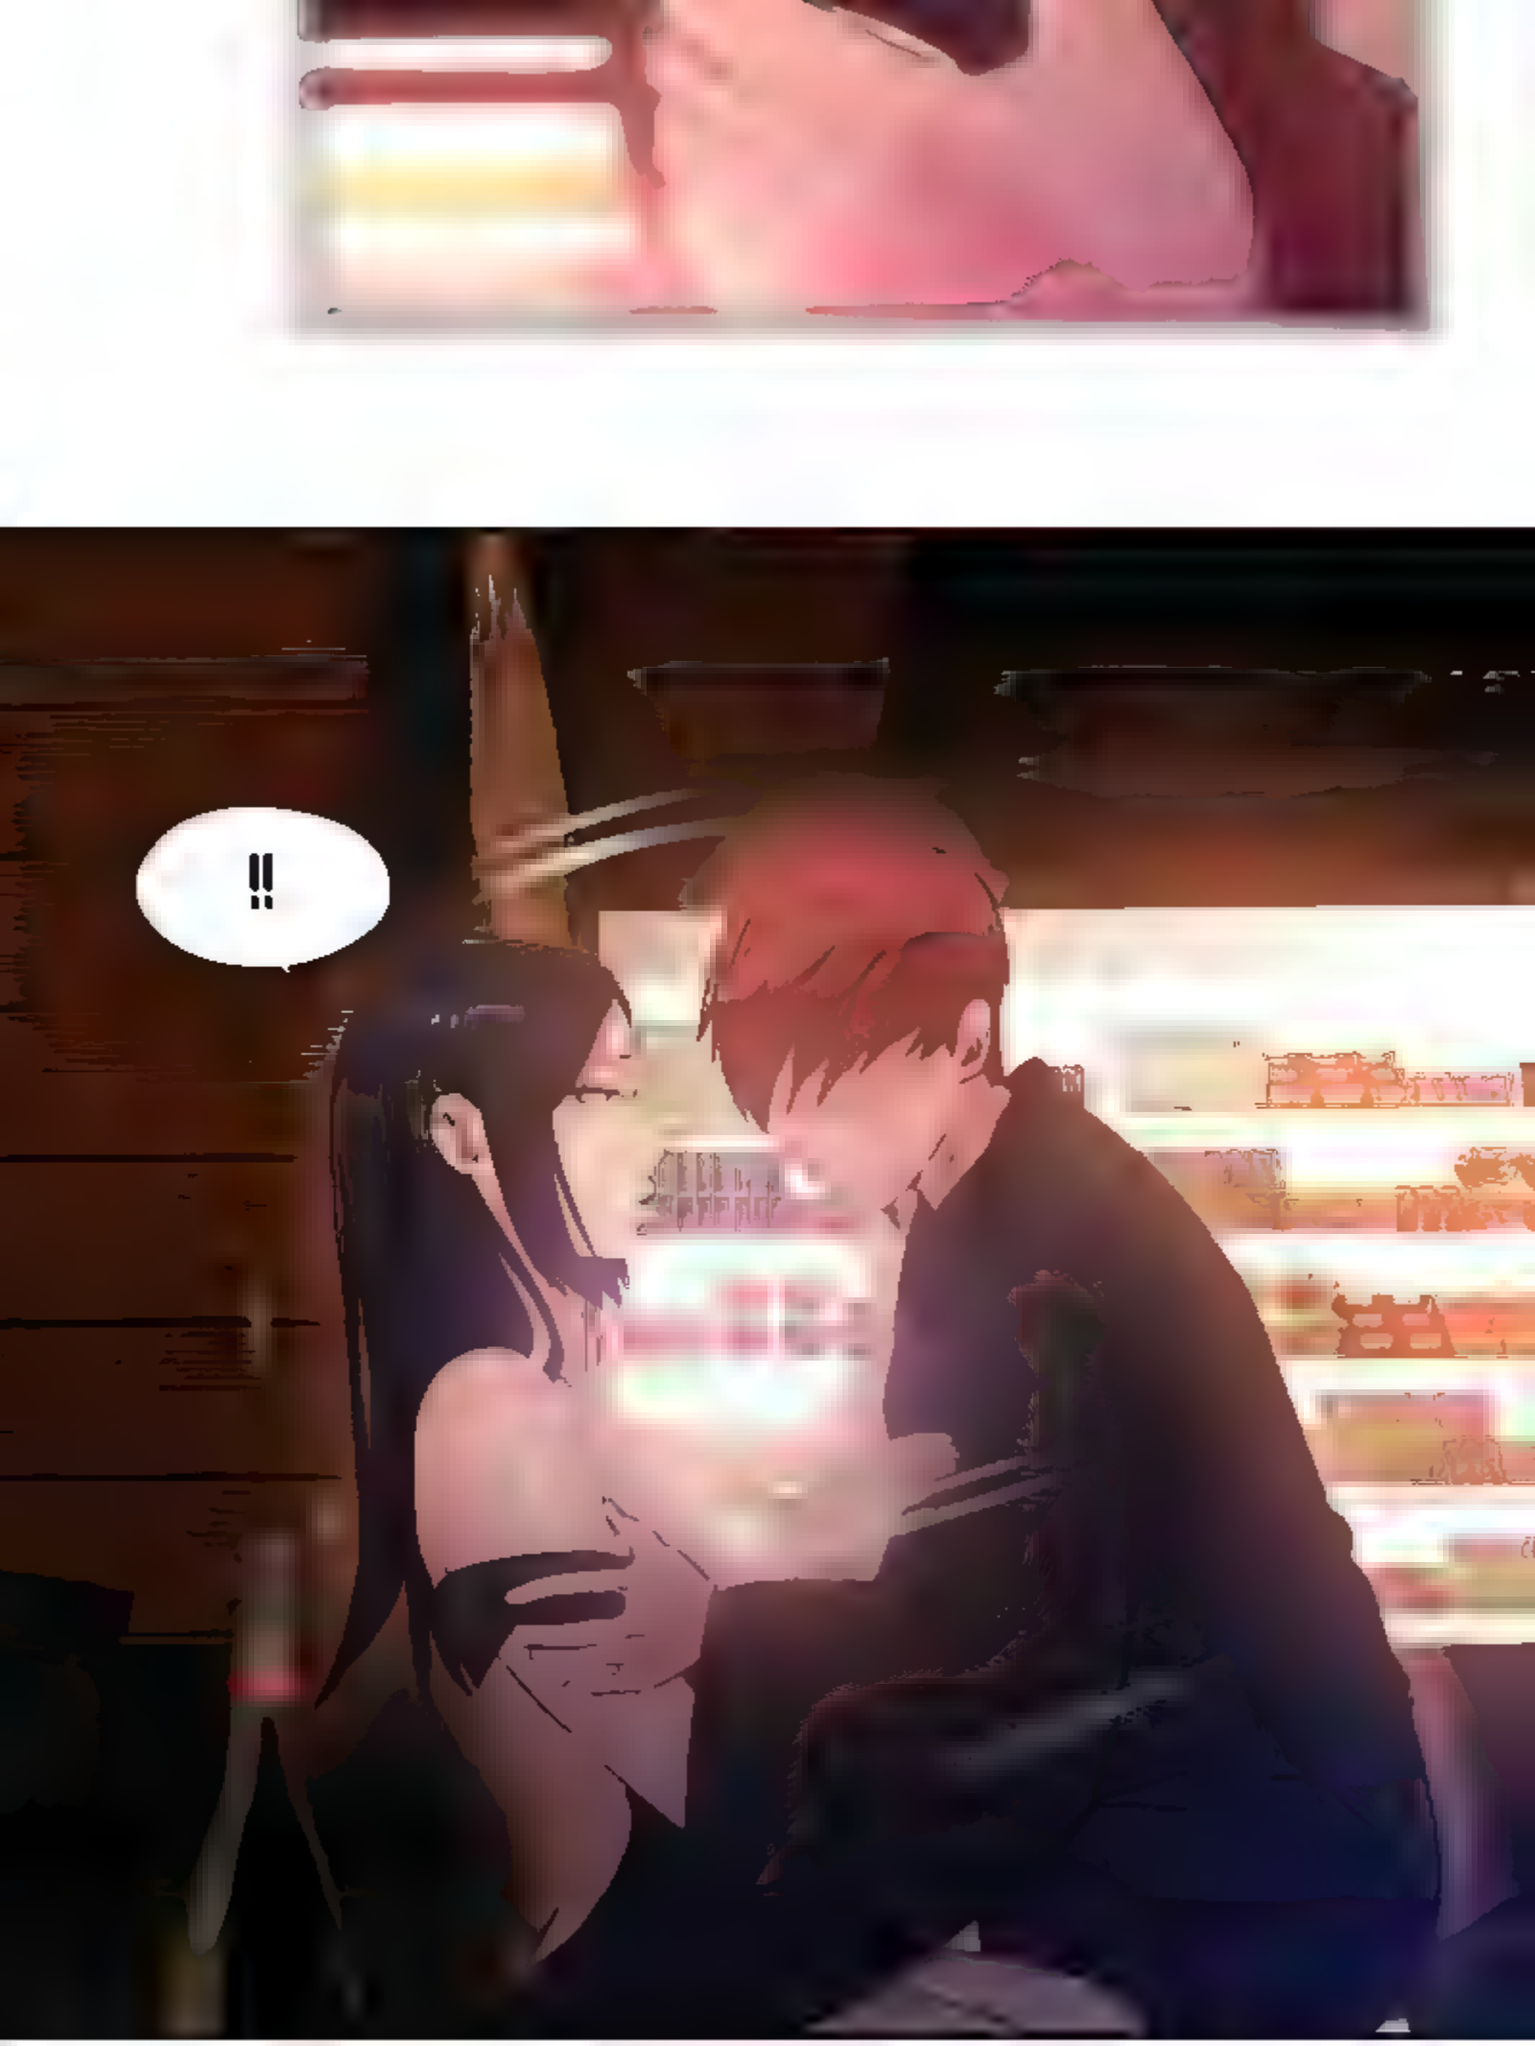
haa...

You are running out of time, Axell

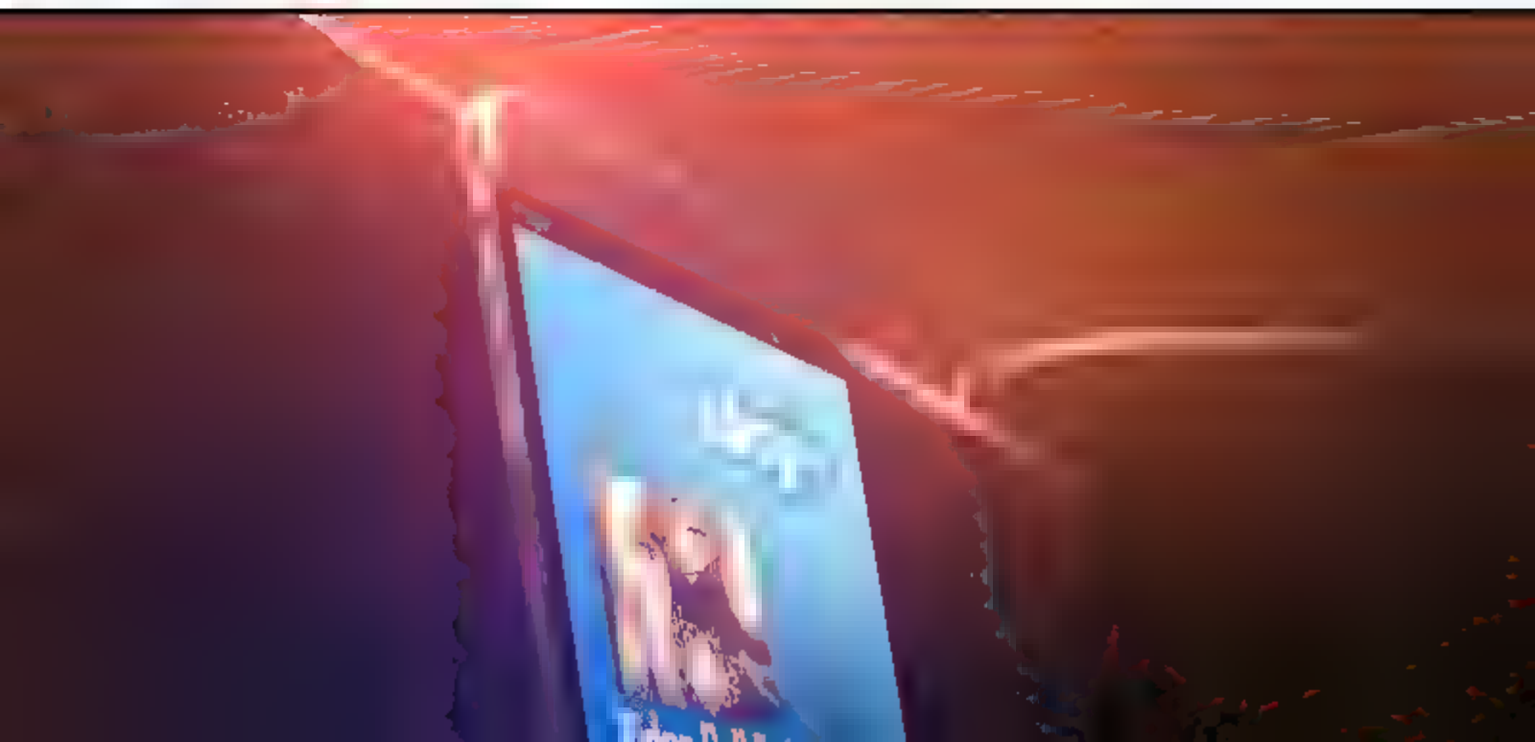
..I will lose Anya for real.

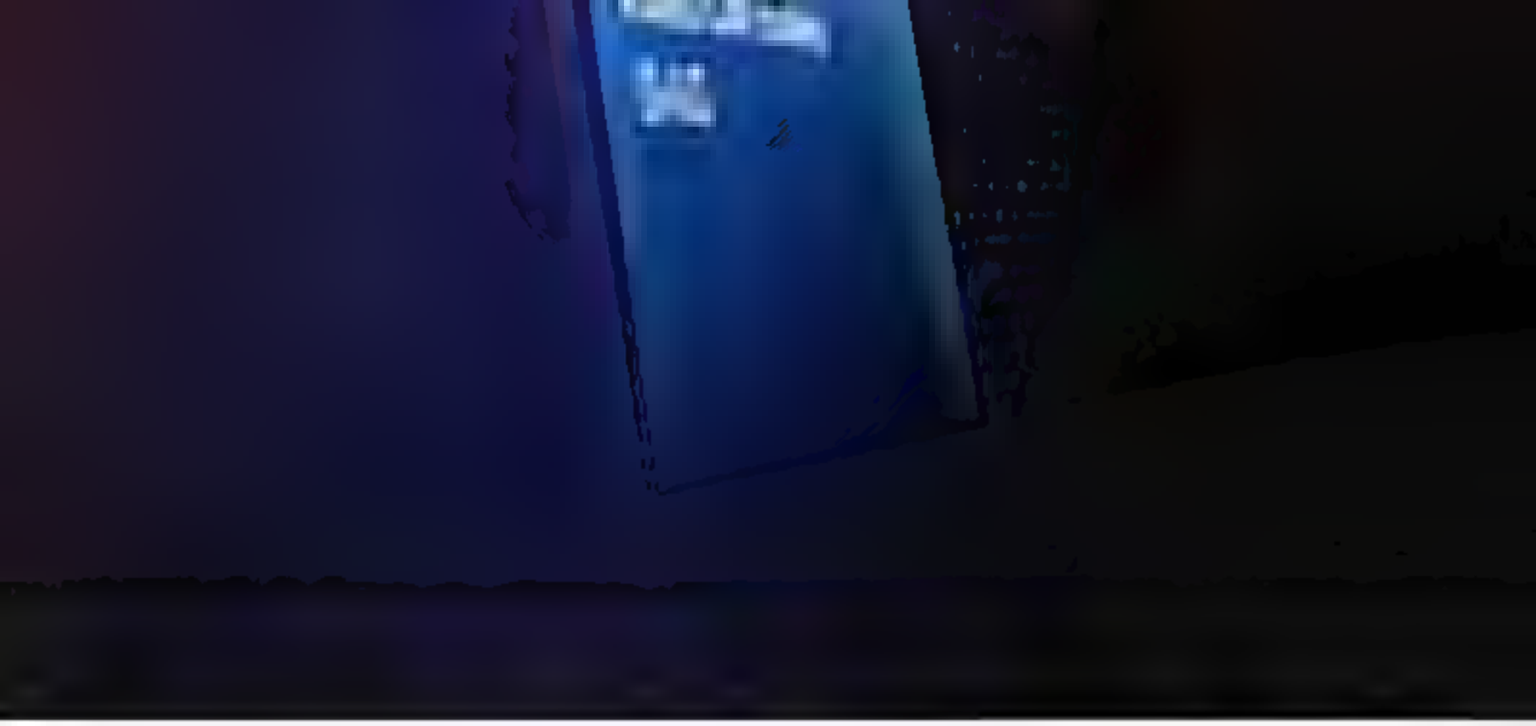
"Anya.."





What do you think you are doing?!





Why did you stop?

What's the matter?

Sorry but
I can't do this.
I'm leaving.

What?

Excuse me!?
ARE YOU INSULTING ME!?
AXEL!!
Let's be honest here Shimizu-san.

We both know we need something from each other, right?

He's sharper than I thought.

I guess I can't hold him until I confirm his identity.

Fine!

But as the head

of the Shimizo family..

..I won't allow you to meet Anya until the Tokyo Sports Fest begins.

You caused her injury so I need you to stay away from her.

She is my

responsibilty.

I don't think she wants to meet me anyway.

But there is one thing I can guarantee you, Shimizu-san. This upcoming Tokyo Games..

Team Nathan..

..will crush your team.

End of Line

Yes.
I want you to keep watch on Zenjirou.

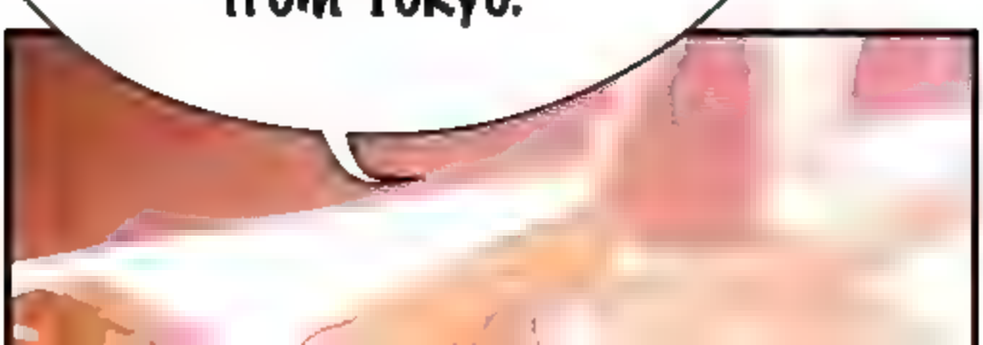
There are things I need to fix before we can proceed with the plan.

I will abolish the

Yakuza group my Grandfather founded. We will start by forcing an alibi and find a way to clean our name.

But prior to that, there is something else I want you to investigate.

About this Koizumi Axel-- a 17 year-old Tennis Player from Tokyo.



I have his hair sample.
I need you to confirm
his real identity as soon
as possible.

I have a feeling
he was part of the
"Koizumi Family" incident
nine years ago.

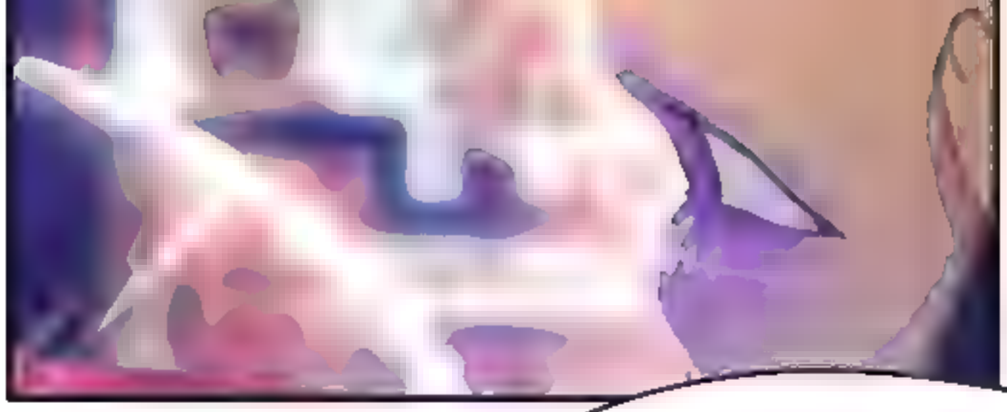
Report says,
"Koizumi Toru committed suicide after his family went missing. Later on, the police concluded that Toru killed his own wife and child before taking his own life."

But there were no bodies found except his. There is a big possibility both the wife and the child survived but was kept by someone. I suspect my Grandfather was involved.

This Koizumi Axel guy
resembles the kid.
I have a strong feeling,
he is Kozumi Nathaniel.

Now the last missing
piece is the "Mother".

I want you find this woman
named "Sara Miller".
I am certain Zenjirou knows
her whereabouts.



Bribe anyone who has reliable information. I don't care as long as we find the woman.

I will be busy preparing for the upcoming Tokyo Sports Event. Obviously it was a trap. Nathan is quite assured of his victory.

Along with the wager,
I think his real motive is
to shutdown my
company.

Those assh*l*s
don't know who they
are dealing with.
Now they are slowly falling
into my hands.

They have no idea.

The "No. 1"
is in my team.

sigh...

I guess I'll be alone again tonight.

What a jerk..

Axel...

"After that night..

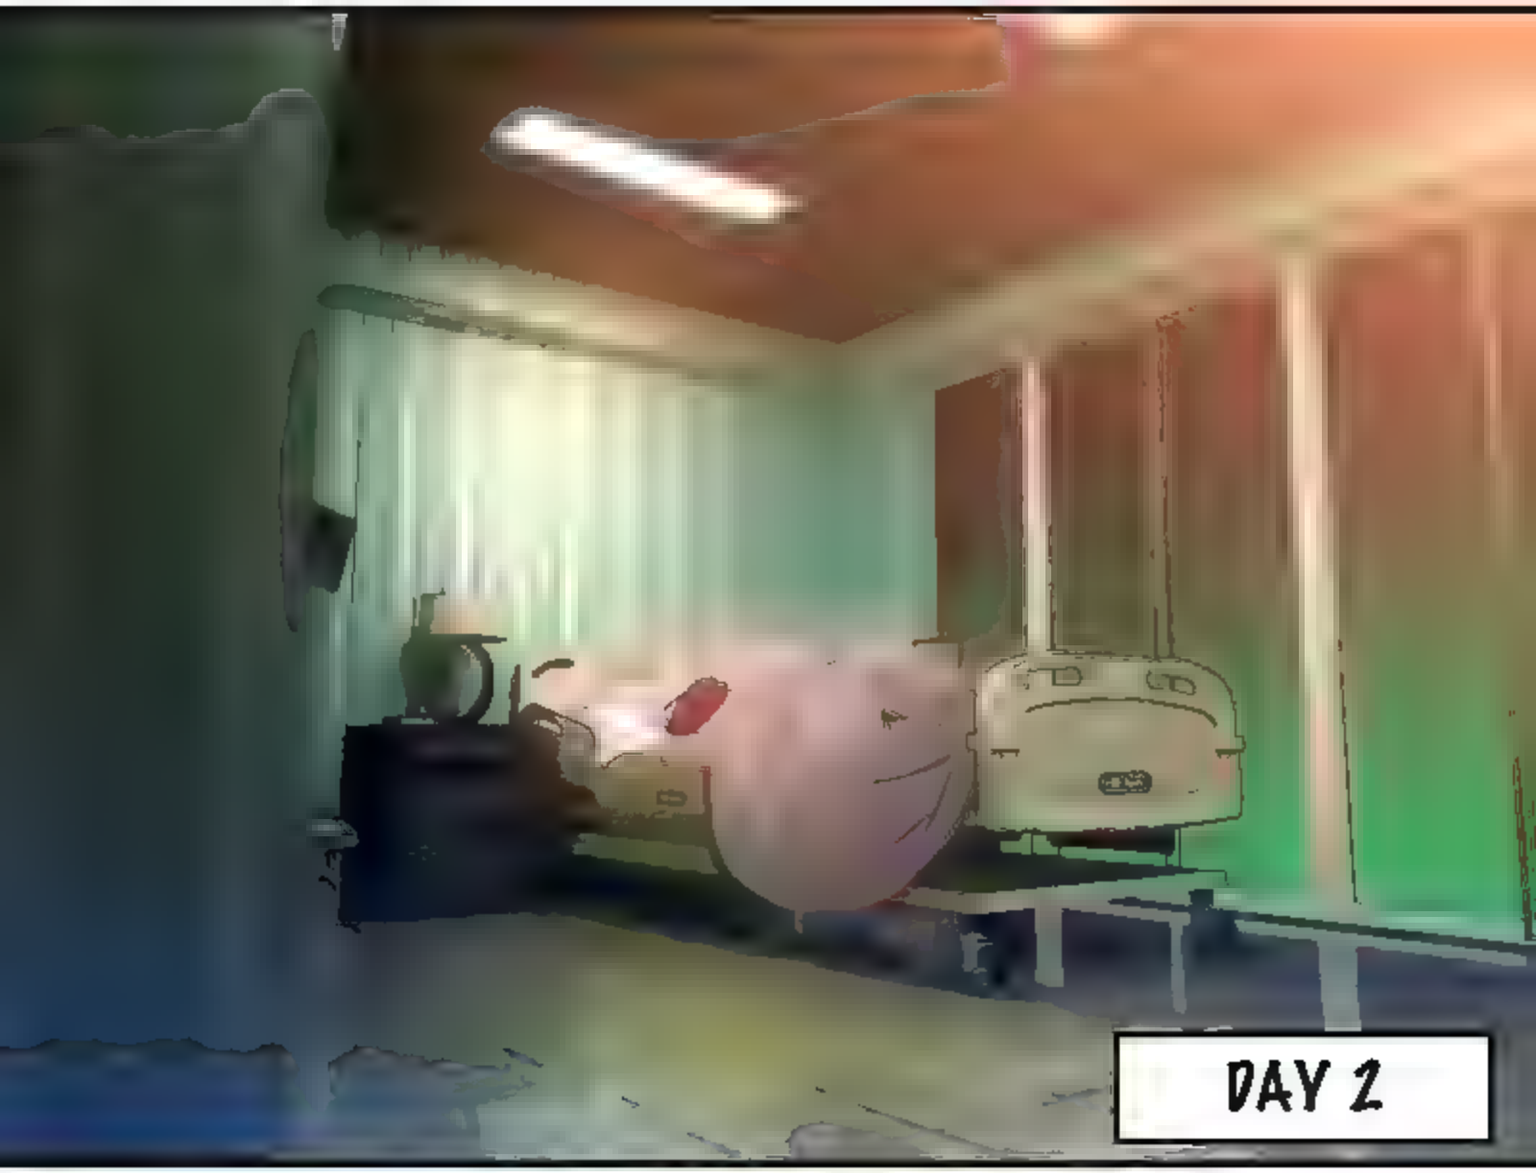
..Axel never came back to the Hospital."

"That scene was etched vividly in my mind.
It felt so heavy inside. No word can describe
the pain he caused me."

"I don't know what I did wrong."

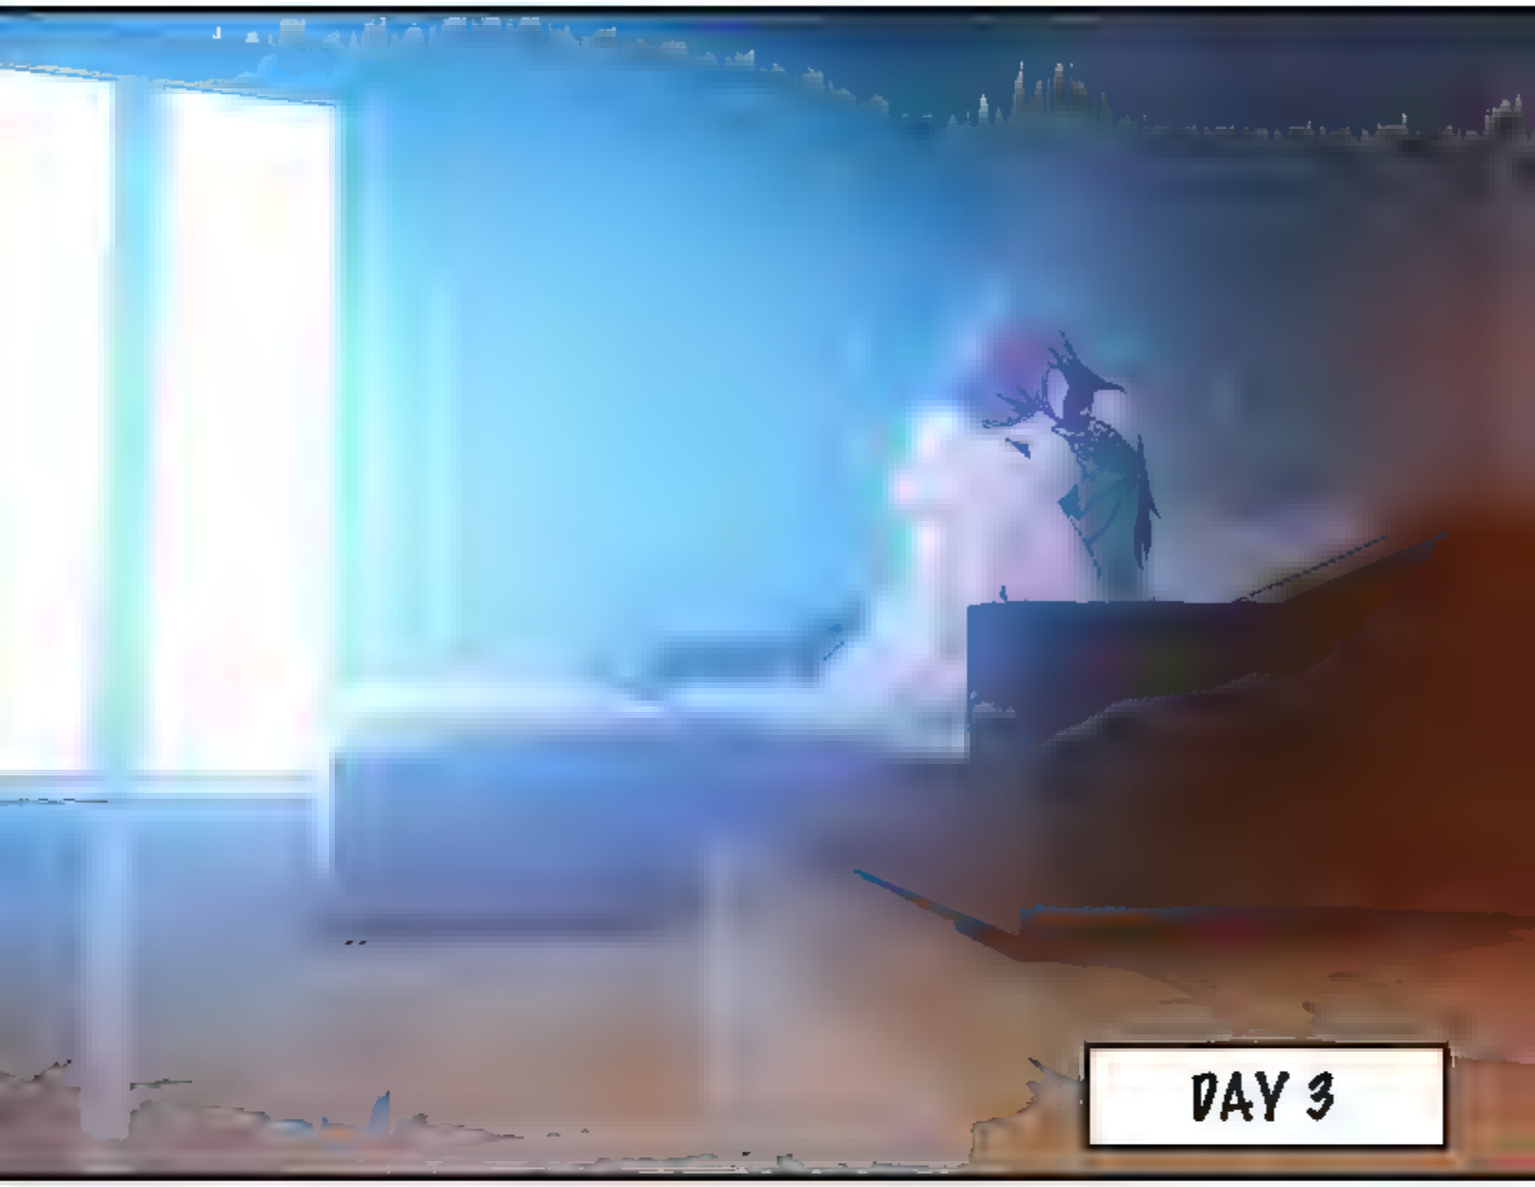
"I can't understand him."

"I lost my confidence as a woman.



All the negative thoughts surged within me."

"Both of them never showed after that night.
Part of me was still hoping for an explaination
but I can't stop thinking they were doing "it" while I suffer."



"It hurts like crazy I just wanted to die."

"I cried, day and night, until my eyes ran out of tears."

"But still, the pain didn't subside."

DAY 5
Axel you pervert.
Are you happy? Are you satisfied? You will regret this, you hear me?

DAY 6

DAY 6

Anya started making friends online.

Wow, almost all of them are online. I wonder how many of these accounts are real.

Red_Lips: He is a very good-looking guy, tall, talented, funny, and honest.

Red_Lips: Although he is a pervert, he still acts like a gentleman sometimes.

Seen.

Red_Lips: He even took me away from Mom. I think he is not afraid to die.

Red_Lips: But I thought our feelings were mutual. I mean, he attempted to kiss me.

Red_Lips: He kissed my hand twice and take cares of me. He's quite sweet.

G+G Manager: I think you were just assuming

Red_Lips: He kissed my cousin.
